

Meeting Dated: June 24, 2014

Members In Attendance: ?

Visitors Present: ?

Secretary's Report:

Secretary was not able to attend. Notes will be taken for her.

Treasurer's Report:

Secretary did not see Treasurer's Report in notes.

Old Business:

This meeting is all about Field Day preparations. Steve said he has a A/C unit available and we would like him to bring it. We are not sure if we will have the power capabilities to operate it and all of our other necessary equipment as well. We will try though. Maybe we can run it from a generator.

We will need fans, and lots of them.

The food was all slit up after the spring picnic. So this will be more of a bring your own unless someone wants to "feel the love" and send some food to the site for the operators. We do have a large container with plates, cups forks, ect.....That will be there along with the fridge, microwave and the coffee pot.

New Business:

Mikael has turned in his application and paid his dues. They will turn his application in when they see the Secretary next.

VE Testing & Classes:

Announcements:

Presentation/Program:

As this was all the notes I was given, this is the extent of the minutes I could provide for this meeting.

Respectfully Submitted,
Laura J. Campbell, K4TGR
Secretary

Meeting Location: Barrow County Regional Medical
